

Action Plan for Fall 2020 Shopping

Since 2008 itty bitty boutique, LLC has been a part of this community and helping families make raising kids more affordable! itty bitty is committed to continue helping all the families we serve in a safe way during your consignment and shopping experience with us. For our in-person sales, we are taking a number of steps to comply with guidelines regarding COVID-19 from the Oregon Health Authority guidelines for Retail Businesses.

What to Expect at Our Sale

- **Face Masks are Required** - Everyone who enters our sale, 5 years old and up, MUST wear a mask which covers your nose and mouth per state requirements. This includes all staff and shoppers. For anyone who is unable to wear a mask, we can offer a modified shopping experience with an online FaceTime or video chat shopping appointment with curbside pickup.
- **Shop by Appointment** - In order to limit the number of shoppers in the store at one time, and to better improve social distancing, tickets for staggered shopping times will be available during our busiest times. Tickets are recommended so you are guaranteed entry to shop, but walk-ins are accepted during those times as occupancy allows.
- **Bring Your Own Bag** - We are no longer able to offer our IKEA bags for you to shop with. You are welcome to bring your own bags or we will have blue IKEA bags available for purchase at the door for \$2.00 each.
- **Daily Sanitizing of Common Areas** - The Fairgrounds staff and the itty bitty team will be sanitizing the building and common areas frequently, including the check out area. All frequently touched spaces will be sanitized throughout the day.
- **Widened Aisles & Separate Entrance/Exits** - Our merchandise aisles and racks will be spread out to offer more room to shop and maintain social distancing. We will also have separate entrance and exit doors.
- **Occupancy Limits** - We will be limiting the number of people in the building at all times to maintain social distancing.
- **Children at the Sale** - No children, except nursing infants being worn on the body, are allowed during our Wednesday and Thursday Pre-sales. For shopping Friday-Sunday, while we do love seeing all of the kids that come through the sale, due to current guidelines and restrictions, we are asking shoppers to leave their littles at home, if at all possible. If you must bring them with you, they WILL count towards our occupancy limits. Younger children must be worn on the body or remain in a stroller at ALL times. Older children cannot shop on their own and must remain with you at all times, being supervised. Children 5+ must wear a face mask.

YOU CANNOT ENTER THE BUILDING IF:

1. You have a cough, fever, shortness of breath, or any symptoms of illness
2. You have been in contact with someone who is sick or has tested positive for COVID-19
3. You cannot wear a mask (Masks are mandatory 5 years old and up) We can offer an alternative shopping method for you via FaceTime/Video Chat!

THANK YOU for following these guidelines, as they are needed in order for itty bitty boutique to have this Sale. We appreciate your support of our small business and the many, many families who consign and participate in our Sales.
